# FAQ's

## **How long will it take to get set up on the site?**

- It only takes a few minutes to register your business. Once your account is approved, you can have all of your shop settings and your first few products added in 30 minutes.
- If you already have products listed online elsewhere, we may even be able to assist you with a product import to get your shop started, or a product import & sync with Shopify or Square.

## **How many products can I list?**

- Sellers can have up to 100 products in their storefront. Businesses that wish to list additional products can reach out to the support team at [info@shopwhereilive.com](mailto:info@shopwhereilive.com) to add more.

## **How often do I have to update my shop?**

- Products should be updated as needed, or at least every few weeks. Shops should be updated with inventory changes, add a new product or two, and delete old products.

## **How do I get notified of orders?**

- You will get an email notification to the registered email address on your account.
- You may also sign up for text alerts in your account or register additional email addresses to also receive the notifications.

## **How do I handle shipping?**

- Sellers handle all fulfillment & shipping requirements and can charge shipping to customers.
- Sellers can set Free Shipping for all products or just for specific products.
- Sellers can set their own shipping rates on their overall store or on a per product basis.
- Sellers enter shipping carrier & tracking information that is then communicated to the customer.

## **How & when do I get paid for orders?**

- Sellers can connect to Stripe or PayPal in their Vendor Dashboard- Billing tab.
- Stripe is the preferred payment processor. Orders are paid out to your bank from Stripe typically within 2 business days. Payment processing through Stripe is 2.9% + \$.30 per order.
- Alternatively, businesses could choose PayPal payments if they prefer. There will be an additional \$.25 processing fee for PayPal (2.9% + \$.55 total), and payments will be dispersed once the order has been shipped to the customer.
